Note :

- The provisional result shows the actual marks earned by the students in the concerned theory subjects. However, as per notice titled "End Semester Examination" on Notice board, the final external marks in the concerned theory subject will be computed by using internal marks and actual obtained external marks by the student in the concerned theory subject.
- In the provisional result, the student would be able to see question wise marks earned by the student. In question wise marks, 0 indicates either the student has not attempted the question or if attempted, the awards earned are 0. So, students should carefully fill the grievance redressal form.
- All papers of students involved in Unfair Means Cases (UMC) may be cancelled. The final result notification of students involved in UMC will be issued as per recommendations of CRC (Complaint Redressal Committee) and approval from competent authority.
- This provisional result available on website is for information only and shall not be treated as final.
- For further updates keep visiting college website regularly.
